There are **42 places** available to pupils **currently in Years 9 and 10**.

Due to the cost of ski trips increasing significantly in recent years, the school has taken the decision to run this as a bi-annual event. This allows parent/ carers to spread the cost of the visit over a longer payment period. Aligning with this decision, the ski trip has been moved from Easter to February, which will allow pupils in Y11, at the time of the trip taking place, to participate in the visit as it will not impact on final preparation for the GCSE examinations.

If you are interested in your child being involved in this trip, please complete this short [Microsoft Form](#) by Monday 7th October. The Snaith School ski trip has been one of the most popular trips in the school calendar and I anticipate that demand for places will be high. In the event of the trip being oversubscribed, names will be drawn at random. If your child is allocated a place on this trip, you will be notified. Furthermore, pupils will need to demonstrate a good record of behaviour and attendance to qualify for a place in the draw for this trip.

Continued Overleaf ...

A £150 deposit will need to be paid by Monday 14th October 2024 with a further deposit of £100 due by 30th November 2024. (An online payment system will be set up for each pupil). The balance of the money can be paid in instalments or in full with details to follow. We will also avoid requesting further deposits in December and January in a bid to reduce financial pressures on parents during the Christmas period.

Yours faithfully,
