

Dear Parent/Carer,

December 2024

### Reverse Advent Calendar 2024

As we have done in previous years, we are going to run a reverse advent calendar. This year, we have chosen to support local families.

We appreciate times are hard for many more families at the moment and we are therefore only asking pupils and staff to contribute once, where possible (unless you are in a position to donate more). Items can be brought into school on any day between 2<sup>nd</sup> and 19<sup>th</sup> December. The collection point will be in the school reception.

To allow you to plan ahead, we have listed items for each day, but this schedule is a guide only and we would welcome any items on any day. Every contribution really does make a difference, so please encourage your child to get involved and spare a thought for those who may not be as fortunate as most in our school community.
