Dear Parent /Carer

### Rewards Trip 2026

We are delighted to share with you the details of our forthcoming rewards trips. These trips are to reward pupils for following our high expectations and to acknowledge pupils' hard work and effort for this academic year. These visits will take place in September at a date to be confirmed in the next few weeks.

Every pupil is invited and will only have to follow some simple qualification criteria over the coming weeks to keep their place on the trip. We have put these criteria in place at this point in the academic year to provide a window of 15 weeks so that **ALL** pupils in the school regardless of their behaviour and/or attendance record to date can qualify to participate in the visits.

We are yet to finalise the options for visits as we look to broaden the range of rewards trips available to pupils. We intend to offer a Meadowhall shopping trip, Yorkshire Wildlife Park and Go Ape as we have done in previous years. We do not intend to offer a Theme Park trip this year owing to increasing costs of both tickets and transport. We intend to keep trips relatively local and offer trips that are good value for money. Alternative trips being explored are Football Stadium visits, Cinema and Bowling and Arcade Games warehouses. We will be talking to pupils in the coming weeks to explore additional options.

Unfortunately, there will need to be a cost to these visits as the school is not in a financial position to fund hundreds of school trips each year. However, pupils will be able to use the reward stamps they have collected throughout the whole of the academic year towards the cost of the trip if they so wish, up to a maximum value of £10.

All pupils will have to have meet the following criteria in order to attend the trip. As stated previously, to ensure complete fairness, all pupils have been given a 15-week window in which to achieve these criteria.

All Year 7 pupils have been informed in an assembly that the qualification period commences today.

The criteria are:

- Excellent **attendance** and **punctuality 95% attendance** for 15 weeks (medical reasons will be considered on an individual basis) This is the equivalent to no more than 3 days of absence. Pupils must also **not exceed 3 instances of being Late on the Gate**.
- Collect at least **50 reward stamps** per week (Pupils can collect 90 stamps each week from form time and lessons). This figure does not include stamps that pupils can collect outside of lessons.
- Receive **no more than 10 detention points**. These are comprised of lunch detentions which will be worth 1 point and After School Detentions which will be worth 2 points.

Continued overleaf ...

**There are some actions and behaviours which will lead to immediate disqualification from the trip:**

- An external exclusion or an internal exclusion
- Multiple days in RESET
- Bringing the reputation of the school into disrepute (including out of school incidents and on social media)

We will keep you informed during the qualification period if your child is on track or if they are in danger of not meeting the criteria. We will communicate this W/B 13<sup>th</sup> April 2026 and W/B 1<sup>st</sup> June 2026. In the communication W/B 1<sup>st</sup> June, pupils who are likely to be eligible will be asked to select their trip on a Microsoft form. This will determine which trip letter is sent out to parents once the final list of eligible pupils is finalised.

The special educational needs of pupils are considered when applying the criteria, this does not mean the criteria does not apply, but that reasonable adjustments have been made to meet the needs of individual pupils as and when required.

If you have any questions or queries regarding the reward visits, please do not hesitate to contact your child's Year Leader in the first instance.

Yours sincerely,

Mr J Barton  
Deputy Headteacher
