

## Science Revision Websites

**Cognito Science – great YouTube videos that summarise all key parts of the course:**

Biology - <https://cognitoresources.org/resources/gcse/videos/biology/aqa>

Chemistry - <https://cognitoresources.org/resources/gcse/videos/chemistry/aqa>

Physics - <https://cognitoresources.org/resources/gcse/videos/physics/aqa>

**GCSE Free Science Lessons – detailed videos linking to the course – really great for revision of required practicals:**

<https://www.freesciencelessons.co.uk/videos/>

**KS4 Bitesize**

**Combined science:**

<https://www.bbc.co.uk/bitesize/examspecs/z8r997h>

**TRIPLE ONLY:**

Biology - <https://www.bbc.co.uk/bitesize/examspecs/zpgcbk7>

Chemistry - <https://www.bbc.co.uk/bitesize/examspecs/z8xtmnb>

Physics - <https://www.bbc.co.uk/bitesize/examspecs/zsc9rdm>

**CGP Science App:**

<https://www.cgpbooks.co.uk/info/apps>

**Save my exams (have to pay) – summarises key detail from the course – great diagrams:**

<https://www.savemyexams.com/gcse/>

**Revision guides, exam practice workbooks and revision question cards – all available to purchase from Scopay.**

Please ask pupils to ask their science teachers for which revision guide/workbook/cards to purchase.
