

November 2023

Dear Parent/Guardian

I would just like to contact you to give some up-dates and reminders about the ski-trip.

Firstly, thank you for the payments you are making, we have to make regular payments to the ski company and we greatly appreciate parents keeping up to date. Secondly, may I remind you that your child will require at least 6 months on their passports when we travel at Easter.

A parents' meeting will be held in the Spring term, I will inform you of a date nearer the time. This will be an opportunity to raise any questions you may have regarding the visit. An information booklet detailing itinerary and activities will be distributed on the evening.

As you will be aware, a lot of the clothing can be expensive, so if your child has never been skiing before and may not go again, hiring is a very good alternative. There are many companies who offer ski clothing hire, which many of our pupils have done in the past. Sweatshirts, sports clothing (skins) and fleeces that your child may well already own are perfect for the trip, so please don't feel you have to purchase expensive ski clothing. Aldi are also offering their ski bundle (jacket, trousers, gloves base layer) for under £40 from November 13<sup>th</sup>.

I'd also like to bring your attention to Crossley Tordoff's of Doncaster. <http://www.crossleytordoff.com/>

I've worked closely with Trevor Tordoff on many ski trips and in the past, he has supplied and hired clothing and equipment to staff and students. Trevor is in the process of retiring and is currently selling equipment and clothing at a discounted price, so he may be worth a visit.

Please see below a kit list for the trip and please remember that included in the price are skis, ski boots, ski poles and ski helmet and a ski trip hoodie.
