

The Snaitth Story

**Special
Edition**

**September
2024**

Welcome back from the Headteacher

It gives me great pleasure to share with you some fantastic photos of the last two days of the last academic year. We had a We're A Knockout event on Thursday 18th July and our annual Sports Day on the 19th July. Both events were brilliant, and I think the photos speak for themselves when I say that two great days were had by both pupils and staff. I couldn't have asked for a better way to end my first year as Headteacher.

I have copied below the link to a short video which gives a flavour of last year. This truly demonstrates what a special place our school is and it is an absolute privilege to be entrusted to lead such a fabulous school.

I am determined that the school will continue to build on its excellent reputation and continue to flourish and maintain its position at the heart of our community. I will continue to ensure that our high expectations and excellent standards are maintained. This year we celebrated Year 11 leaving the school with the highest progress the school has ever seen, a fantastic achievement and a true reward for pupils, staff and parents and carers.

Welcome Back *(continued)*

Our school does not stand still and this year we will strive to be even better. I am ambitious for what we can achieve together. I am proud of our reputation for academic success, traditional values and excellent pastoral care. I am determined that the school continues to build upon its legacy and continues to flourish and hold a position at the heart of our community. Your child will receive the best support, care, guidance and encouragement needed to thrive. Our rewards programme will guarantee that your child will always be recognised for their efforts and that their achievements will always be celebrated.

As a school we are aspirational for every child and extremely passionate about maximising life chances. We want all pupils to leave us with the best possible outcomes, a wide range of memorable experiences, an abundance of positive memories and lifelong friendships. I would like to take this opportunity to express my sincere thanks for supporting us and ensuring that pupils returned to school fully equipped and ready for the start of the year. This certainly helped the very smooth start to the term.

Welcome Back *(continued)*

I am looking forward to continuing to work with the whole community, as we strive for even greater success. I am keen to further the excellent relationships we have established, ensuring that our school community thrives on mutual respect, and values positive relationships. I know how vital working in partnership with parents, caregivers and the community is for children to find school a positive and rewarding experience. I feel that it is important that you have a voice and that as a school we are approachable and that we allocate time to listen to your views about our school.

I will be holding a half-termly Headteacher's drop-in for parents and care givers where you can meet me on an individual basis to discuss any concerns, worries, thoughts or feedback. The sessions for the Autumn Term will be held between 5.00-7.00pm Wednesday 9th October 2024 & Wednesday 4th December 2024. Please telephone the school or use our office email to book a 15-minute appointment.

If you haven't done so already, please download our new Arbor Parent App, this will ensure you keep updated with everything that is taking place at our great school.
