2025**

Welcome back from the Headteacher

Dear Parents and Carers,

I am delighted to share with you some fantastic photos capturing the final two days of the last academic year.

On Thursday 17th July we hosted our We're A Knockout event, followed by our annual Sports Day on Friday 18th July. Both were wonderful occasions, full of fun and energy, and the photos truly reflect the joy shared by both pupils and staff. I couldn't have wished for a better way to end the year.

We are also off to a very positive start this academic year, with school attendance already well above both local and national averages. Thank you for working in partnership with us on this—together, we can continue to build on this success and further improve attendance across the school.

Welcome Back *(continued)*

I am also thrilled to share some very exciting news: The Snaith School has been recognised nationally for excellence in pupil engagement, and I have been invited to the House of Lords in November to celebrate this special achievement. This recognition comes through our use of The Engagement Platform (TEP), an online survey tool that measures pupil engagement across all year groups. Alongside our regular pupil voice activities, we now survey pupils three times a year, with results benchmarked against schools nationwide. Each survey gives us valuable insight into the areas where pupils feel highly engaged, as well as those where we can improve.

With over 100,000 pupils taking part nationally, we are immensely proud that The Snaith School has been placed in the Top 5% of schools for pupil engagement and pupil recommendation. This is a fantastic achievement and reflects the strength of our community and the sense of belonging our pupils feel—it truly shows that our school is a family.

Looking ahead, we are ambitious to achieve even more this year. We take pride in our strong academic reputation, our traditional values, and our excellent pastoral care. Above all, we are committed to giving every child the very best opportunities, so they leave us not only with excellent outcomes but also with cherished experiences, lasting memories, and lifelong friendships. We again celebrated great exam success this year.

Welcome Back *(continued)*

I would also like to sincerely thank you for ensuring pupils returned to school fully equipped and ready for the new term. This support made for a smooth and positive start to the year, and it is very much appreciated.

As we continue this journey together, I am keen to build on the excellent relationships we already share. A thriving school community depends on mutual respect, positive relationships, and open communication. For this reason, I will be holding half-termly Headteacher Drop-ins, where parents and carers are warmly invited to meet with me on an individual basis to share thoughts, feedback, or concerns. The first of these will take place in October, and I hope many of you will find it useful.

Finally, if you haven't already, please do download our new Arbor Parent App to stay updated with important information, and follow us on Bluesky to see everything happening in school [@thesnaithschool.bsky.social](https://thesnaithschool.bsky.social)

I hope you enjoy this special edition of The Snaith Story!

With warm regards,

Mrs H Yates, Headteacher
