Dear Parent/Carer,

Following the withdrawal of free transport from North Yorkshire County Council, we have secured a service between The Snaith School and villages of Whitley, Eggborough and Kellington for the 2024/25 academic year. This service is heavily subsidised by the school but due to increased costs we have no alternative other than to increase the parental contribution to £4.00 per day or £760 per year.

Below are details of the current stops and approximate times for pick up and drop off.
