16<sup>th</sup> May 2024

Dear Parent/Carer,

Year 11 Maths and Biology Revision Sessions

As your child enters the final stretch of their GCSE preparations, we are pleased to offer two dedicated revision sessions to support them in Maths and Biology during the half term holiday. These sessions will provide valuable opportunities for pupils to solidify their understanding of key topics, tackle exam-style questions and receive guidance on effective exam strategies and enhance their exam technique a few days before the Maths and Biology exams.

The two sessions will be held on Tuesday 28<sup>th</sup> May.

Maths: 9am-12pm.

Biology: 12:45-2:45pm.

Pupils can attend either maths or biology or both.

Could I ask you to complete the attached Google Form document to give staff an indication of the number of pupils attending.

We would like to thank you for your continued support in your child's revision and we believe this session will be valuable resource for their exam preparation.

Yours faithfully

I Williams  
Director of English
