

22 January 2024

Dear Parent / Carer,

Year 11 Progress Evening – Cohort Y – Wednesday 7th February 2024 - Online Appointment Booking

I would like to invite you to attend our **online** Year 11 Progress Evening on Wednesday 7th February 2024 (Y Cohort pupils). This is an important evening and provides you with an opportunity to discuss your child's progress and achievement in their GCSE year.

The school uses an online appointment booking system called 'School Cloud'. This allows you to choose your own appointment times with teachers as well as sending you an email confirming your timings for the evening.

Appointments can be made from 22nd January 2024 and will close on the day of the progress evening. Should you wish to make any changes you will be able to do so by logging back into the system and changing your appointments.

Please visit <https://thesnaith.schoolcloud.co.uk> to book your appointments. A short guide on how to add appointments is on the following link: <https://thesnaithschool.org.uk/progress-evening-information/>. At login you will be asked to confirm your details and those of your child. **Please ensure that these are the same details and e-mail address that we hold for you at school.**

Although science lessons are taught in specialism blocks (Physics, Chemistry, Biology), you will make a single appointment with 'Science'. This appointment will contain an update on all three disciplines.

Where possible, please connect to your Wi-Fi before logging into the system for the progress evening as this will give a much more stable connection when compared to 4G / mobile data connections. Further help can be found on our school website.

Yours faithfully,

Mrs K. Carnell
Head of Upper School
