28th November 2023

Dear Parent / Carer,

Years 7, 8 and 9 - Into Film Club

On Monday 18th December 2023, we are holding our monthly 'Into Film Club'. This extra-curricular club has been put on to give Years 7, 8 and 9 pupils a chance to meet up with friends, enjoy a film to boost wellbeing and broaden the pupils' cultural education.

This month pupils will have a choice of 3 films:

Polar Express

A Muppet Christmas Carol

Home Alone

The night will run from 3:15pm - 5:30pm in Room 45. Pupils can bring their own sweets and snacks or bring along some money to buy some snacks that will be on offer. Sweets and popcorn are being sold at 50p for a small box of popcorn and 20p for a small packet of sweets. Free squash will be made available to all. Pupils can also bring a comfortable change of clothes and a blanket.

In the event that the club is oversubscribed, names will be chosen at random and pupils will be informed beforehand.

If you give permission for your child to attend, please complete the permission slip on the following Google link where they can also make their film choice:
