

15th April 2024

Dear Parents/Carers,

There are 3 school weeks until the beginning of the 2024 GCSE Examinations. To help prepare our Y11 pupils for these exams, I am sharing with you the Homework Subject Overview for this week.

Core Subjects:

Maths – June 2019 Paper 3 (On Maths Watch) – Due – 22/04

English – Paper 1 Q5 – Due - 22/04

Biology (Combined and Triple) – Tassomai – Due 22/04

Physics (Combined and Triple) – Tassomai – Due 22/04

Chemistry (Combined and Triple) – Tassomai – Due 22/04

Option Subjects:

Business Studies – Teams Multiple Choice Quiz - Due 19/04

History – N/A

Geography – GCSE PODS – Due W/C 22/04

French – Snap revision vocabulary. Listening or Reading exam Q – Due – 19/04

Engineering – Exam Questions on Teams – Due 24/04

Food and Nutrition – Revision on Micronutrients - Due 19/04

Computer Science – Individual Python Coding Due: Ongoing

Health and Social Care – Factors Paper 2 – Due W/C 17/04

Music – Revision wit Focus on Sound – 22/04

RE – Free Choice Exam Questions – Due – 22/04

GCSE PE – Everlearner Tutorials– Due W/C 22/04

The school has opened up two ICT rooms (32/33) until 5pm for exclusive use of Y11 pupils Monday to Thursday. Hot Chocolate and Biscuits are provided. This is an ideal environment to complete homework and revision in a quiet environment.

We are also hosting Period 6 revision session 4 nights per week. A copy of the revision timetable can be found by following this [link](#).

We are also aware that some pupils are unable to attend P6 revision sessions due to transport issues linked parental working hours. We are happy to accommodate pupils up to 5.45pm Monday to Thursday. If you would like your child to remain in school until this time to await their lift, please contact reception specifying which days your child will be staying late. The library will remain open until 5.45pm with pupils able to access online revision materials.

Thank you for your continued support.

Mr Barton
Deputy Head
